About AWS

WHO WE ARE

Founded in 1981, AWS is an **international** not-for-profit educational and professional organization. With over **3,500 members** of all genders and surgical specialties representing over **40 countries**, AWS is one of the largest organizations dedicated to enhancing the interaction and exchange of information between women surgeons.

About AWS

HIGHLIGHTS

- **Advocacy:** Gender equity toolkit; statements on pay parity, sexual harassment, and parental leave; significant social media presence in surgery; resources for best practices.
- **Representation:** AWS has over 50 medical student chapters, more than 50 organizational members, and collaborates with peer organizations like the Society of Black Academic Surgeons, the Latino Surgical Society, the Association of Out Surgeons and Allies, and the Asian Surgical Association. AWS has representation on the ACS General Surgery Advisory Council and in most ACS state chapters.
- **Creating Opportunity:** Research scholarships, visiting professor programs, coaching projects, professional development webinars, networking, mentorship for students and residents, leadership opportunities, information sharing on a blog and podcast, dedicated annual AWS issue of the *American Journal of Surgery*, and more.

Be Brave, Be Bold, Become

AWS is the largest organization dedicated to women surgeons across all surgical subspecialties. The **2024 AWS Annual Conference**, being held **October 18-19** in **San Francisco**, will provide educational content and presentations by leaders in surgery inspired by the theme, *Be Brave, Be Bold, Become*. The AWS Annual Conference provides mentoring opportunities and leadership development by fostering the interaction among and exchange of information between women surgeons.

Reach an Engaged Audience

The AWS Annual Conference is the perfect platform for your organization to make **new contacts**, increase **brand awareness** and **promote your initiatives**.

Through our sponsor opportunities, you will expand the reach of your products and services among healthcare's most influential practitioners.

Support women surgeons today!

Note: AWS gratefully accepts Commercial Support for the 2024 Annual Conference in the form of financial support or in-kind support. Educational Commercial supporters are acknowledged by company name in the app, website, and on-site signage.

Meet Us in San Francisco

The Association of Women Surgeons warmly extends an invitation for you to become a corporate supporter. As the premier global entity for women in surgery, spanning all surgical subspecialties, AWS is committed to motivating, supporting, and empowering women surgeons to achieve both their professional and personal aspirations.

By partnering with AWS, your organization will connect with an esteemed network of women surgeons, residents, and students from top-tier institutions worldwide. Our sponsorship opportunities at the AWS Annual Conference not only amplify our corporate supporters' presence but also facilitate direct interactions with surgical leaders. Furthermore, our year-round visibility and communication avenues offer your organization continuous recognition and exposure, showcasing your dedication to advancing women in the surgical field.

We are grateful for your consideration of support for AWS and eagerly anticipate the opportunity to collaborate with you.
