

ENGAGE. EMPOWER. EXCEL.

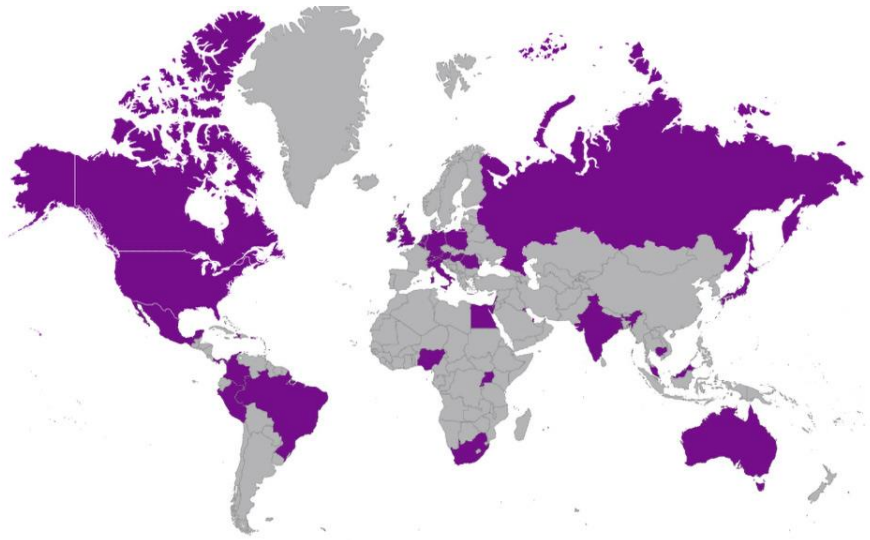

The **MISSION** of the Association for Women Surgeons (AWS) is to inspire, encourage, and enable women surgeons to realize their professional and personal goals.

AWS was founded in 1981 as a not-for-profit educational and professional organization. AWS continues to serve as the largest organization dedicated to enhancing the lives of women surgeons.

Join us as we continue our tradition of ensuring quality healthcare for all patients as we ensure women surgeons **ENGAGE, EMPOWER, and EXCEL!**

## OUR MEMBERSHIP

- AWS has more than 3,300 members spanning approximately 40 countries.
- Membership is open to surgeons and those interested in surgery, regardless of gender. AWS supports women surgeons and their allies nationally and internationally.
- AWS is interdisciplinary with representation across all surgical specialties from general surgery, to breast surgery, to ortho, to trauma, to neurosurgery.

# Institutional Memberships

AWS is grateful to all the organizations and institutions committed to surgery and to ensuring women surgeons thrive professionally and personally.

While each student, resident, faculty, and attending will benefit from an AWS membership, AWS understands that institutions have unique needs. To honor our organizational partnerships, AWS has created Institutional Membership categories with specialized benefits to ensure we assist you in achieving your organizational goals.
